Corporate Profile

Mariner Energy, Inc. (NYSE: ME) is a growth-oriented oil and gas company with diversified operations in the Permian Basin, the Gulf Coast and the Gulf of Mexico, both in the deepwater and on the shelf. We pursue a balance of projects ranging from high-impact exploration projects in the deepwater to relatively low-risk, repeatable projects onshore. This strategy is designed to create a moderate overall risk profile while affording our stockholders the significant potential upside of an active deepwater exploration company.
